

Welcome to

City Academy Norwich

Welcome to

Welcome to our Academy which we hope you will make your academy.

I am delighted to be the principal of an academy that is serving its community and working hard to make it as good as it needs to be.

We are at the beginning of a very exciting journey, one, which will see, City Academy Norwich become acknowledged as a good and then an outstanding school, by doing the best for our students. We have worked hard to recruit, support, empower and train our staff so they

are able to do the best they can for your children.

We want to give your child the skills they need to have a happy and successful life, and the qualifications required to enter into the career of their choice. I hope your short visit to our academy will show you what we have to help your child develop into the adult you want them to become.

Best wishes,

Mary Sparrow MA NPQH
Principal
